August 27, 2024

Dear BJ's Wholesale Club Member,

Refresco has issued a voluntary recall of Wellsley Farms Apple Juice 96 oz 2 pk with best if used by code "032625 CT89-5" due to an elevated level of inorganic arsenic found during third-party testing of the product.

Per the FDA, it is not possible to completely prevent arsenic from entering the food supply, yet exposure to high levels of inorganic arsenic can have adverse health effects.

Rest assured that the health of all our Members is a top priority, and we are diligently | working on addressing this issue to maintain the quality you expect from our products.

Our records show that you may have purchased the recalled item. Members who have purchased the recalled juice are asked to immediately discard the item and not consume. Members can call Refresco toll-free at 1-888-260-3776 for questions or to receive a refund. Please do not return the item to BJ's Wholesale Club.

Sincerely,

BJ's Wholesale Club, Inc.
